

THE SPOTTED COW

This song was also known by Mrs Turner of Navestock according to a note written by Miss Heatley found in Vaughan Williams' scrapbook.

No longer weep no longer mourn
Your cow's not lost my dear
For I saw her down in yonder grove
Come love and I'll show you where

The spotted cow

The musical notation consists of two staves in G major (one sharp). The first staff contains the melody for the first line of lyrics: "No longer weep no longer mourn your cow's not lost my dear for I". The second staff contains the melody for the second line of lyrics: "saw her down in yonder grove come love and I'll show you where". The notation includes treble clefs, a key signature of one sharp (F#), and various note values including quarter, eighth, and sixteenth notes, as well as rests and a double bar line at the end of the second staff.
