

LONG LIFE TO YOUNG JIMMY

You have banished my Jimmy right over the main
And I'm afraid I shan't see him again
May the heavens protect him and keep him from harm
And send back my Jimmy to be in my arms

Now I'll go to yonder small bird that sings in the dawn
Carry me a letter to the heart that I love
For I've an uneasy heart and it lies in my heart
It's always a rambling and never at rest

Now I'll go to yonder castle and a cave I will make
I will line it with jewels for my dear Jimmy's sake
With the softest of down I will make him a bed
And a garland of roses shall crown Jimmy's head

And the least I can do for my Jimmy's sake
Keep guard over limbs by day and by night
Until day light does repair and so merrily we'll sing
Long life to my Jimmy and God save the king

Long life to young Jimmy

The musical notation is written on three staves in G major (one sharp) and common time. The lyrics are written below the notes. The first staff contains the first line of the song. The second staff contains the second line, with a handwritten '(5)?' above the note for 'him'. The third staff contains the third line, with a handwritten '2' above the note for 'send back my Jimmy'.
